Time Attendance System Punjab Model Bazaar, Lahore Pakistan

Project Introduction:

Punjab Model Bazaar, established in 2011 by the Punjab government, provides affordable, quality-assured marketplaces for essential goods. These bazaars support small businesses, regulate prices, and offer modern facilities, ensuring a convenient shopping experience for the public.

ZKTeco as a leading Time Attendance Products manufacturer and supplier has an opportunity to successfully deliver time attendance solution products for this project.

Requirement:

Punjab Model Bazaar, Pakistan requires complete Time management equipment, which can enhance their user experience with complete record management.
